

Dear TJCCNA Committee for WTCCJC Presidential Candidate nomination,

I am writing in recommendation of TJCCNA Past President Arthur Chow as the WTCCJC Presidential Candidate from TJCCNA. Arthur and I are Past Presidents of the Greater Dallas Taiwanese Junior Chamber of Commerce (GDTJCC). I have known him over 10 years, and all because of the chamber. Over these 10 years, I have seen his passion with helping start the Junior chapter in Dallas with me (GDTJCC), his dedication as he lead the local chapter as President to increasing membership, and his commitment and growth in leadership skills as TJCCNA President with the multi-chapter participation in the blood drive.

Arthur is a true champion for the GDTJCC, TJCCNA and WTCCJC organizations. I have seen him attend almost every event at the local, national and world level. This takes time away from family and work and financial dedication to be able to show support for these events as well as representing himself as a member of the 3 organizations. On the local level, Arthur is constantly trying to increase membership and help with events. Recently, he introduced a friend who moved from Miami to Dallas at our GDTJCC event. We hope to gain this friend as a future member. At the national level, Arthur is very actively involved and continues to support recent Presidents and their cabinets with any questions. At the world level, Arthur has been attending many annual meetings in Taiwan as well as mid-year meetings throughout the world. His network of friends span all over the world, as he has made the effort to meet new friends and maintain these friendships. I believe he will be able to fully take on the roles and duties of a WTCCJC Presidential Candidate and in turn, WTCCJC President. As in the past positions he has held, he takes his elected position very seriously and will work hard for everyone in the organization. I would be proud to have Arthur Chow represent TJCCNA as the WTCCJC Presidential candidate.

Sincerely,
