Dear 13th Term TJCCNA Board of Directors,

As the 20th President of the World Taiwanese Chambers of Commerce (WTCC), it is my pleasure to recommend Mr. Arthur Chow for the World Taiwanese Chambers of Commerce Junior Chapter (WTCCJC) 8th Term Presidential Candidate.

Arthur has been actively involved in the Taiwanese Chamber of Commerce in many capacities at the local, national, and world level. Over the years, I have seen his dedication to the organization as he has participated in almost every TJCCNA and WTCCJC meeting. During his term as President of TJCCNA, I was able to see his enthusiasm for the community through his national blood drive campaign that united the chapters and gave back to local communities. He has demonstrated himself to be a strong, positive leader capable of executing and managing a team of young professionals and passionately contributing to grow and develop the organization.

In addition, Arthur communicates effectively and has shown the ability to bring together juniors and seniors with his sincere and outgoing personality. His experience and understanding of the Taiwanese Junior Chamber of Commerce coupled with his strong work ethic and diligence make him a great candidate.

I believe Arthur will do an excellent job as a potential President for WTCCJC and will continue to lead WTCCJC in an exciting direction.

If you have further questions, please do not hesitate to contact me.

Sincerely,

Jackson Yang
