## Taiwanese American Chamber of Commerce of Greater Chicago

November 27, 2016

To The 13th Board of Directors of Taiwan Junior Chambers of Commerce of North America,

I am pleased and honored to write this recommendation letter for Mr. Cheng-Yung Kuo from Chicago junior chamber as the candidate for President of the 8th World Taiwanese Chambers of Commerce Junior Chamber (WTCCJC).

Having seen what it takes to help the Taiwanese community thrive through my personal devotion to Taiwanese Chambers of Commerce, I recognize Cheng-Yung as an intelligent, diligent, active, and positive leader with great teamwork mentality. During Cheng-Yung's two consecutive terms as the 5th and 6th President of Taiwanese Junior Chamber of Commerce of Chicago (TJCCC), he successfully lead TJCCC into a new era. He and his team have organized a great deal of magnificent events which include professional networking, culture, education, legal knowledge training, tax and visa education, charity, etc, all of which assisted the growth and success of Taiwanese Chamber of Commerce members. Furthermore, he then served the 12<sup>th</sup> President of TJCCNA and continued applying his experience as a Taiwanese American to help both Taiwanese immigrants and international students. His humble and kind attitude has earned an excellent reputation for him and TJCCC all across the community.

Mr. Cheng-Yung Kuo's proved himself to be a leader of enthusiasm and vision, who has the ability to facilitate effective communication between his team of board of directors and also between senior and junior chambers. I am confident that Cheng-Yung will bring his experience and knowledge to benefit other junior leaders together in WTCCJC. I am thrilled to have mentor an excellent junior member like Cheng-Yung.

With the highest confidence, I believe Mr. Cheng-Yung Kuo is a solid and most fitting candidate for the President of WTCCJC. I sincerely offer my recommendation.

Best Regards,

Junior Hsu
