

TAIWANESE JUNIOR CHAMBER OF COMMERCE CHICAGO

Nov. 21. 2016

To the Board of Director of TJCCNA:

As the current President of Taiwanese Junior Chamber of Commerce Chicago (TJCCC), it is my honor to write this recommendation letter for Mr. Cheng-Yung Kuo, the candidate of WTCCJC 8th term Presidential election in September, 2017.

I have known Mr. Kuo for more than 3 years since I joined the TJCCC family. He is the most hard working, generous and humble friend as I know. During the time that he served as the president of TJCCC, he devoted himself to implement the mission of origination by launching many successful events, which bring Chicago chapter into a greater level among the local communities from 2013 to 2015.

When he served as the president of TJCCNA from 2015 to 2016, he showed the great leadership by creating an online platform for North America chapters to promote Taiwanese culture and business network. Moreover, he also made a lot effort to help other cities to establish the new local chapters. His enthusiasm and actions inspired a lot of new leaders among North America. As a witness of his growth and achievement, I have no doubt Mr. Kuo will be a great president for World Taiwanese Chambers of Commerce Junior Chapter.

Please do not hesitate to contact me through the details provided below if I could provide any further service.

Yours sincerely,

Hsin Kuang Chen
