**Taiwanese Junior Chamber of Commerce  
Seattle**

Nov 27th 2016

Dear 13th Board of Directors of Taiwanese Junior Chambers of Commerce of North America (TJCCNA):

As the 4<sup>th</sup> President of Taiwanese Junior Chamber of Commerce Seattle (TJCCS), I'd like to provide my support and recommendation for Mr. Jeffery Chang to represent the TJCCNA as the presidential candidate for the upcoming 8th World Taiwanese Chamber of Commerce Junior Chapter (WTCCJC).

I have known Jeff since 2014 and we attended the Elite Class together as part of the class of 2014. Jeff has a great passion for the TJCCNA and the WTCCJC, as evidenced by his excellent conference attendance records. Additionally, he served as the Treasurer for the 7th term WTCCJC, and is currently our Secretary General for the TJCCNA. Jeff's experience serving as a key leader for the WTCCJC set him up quite well for the presidential candidacy as he is intimately familiar with the WTCCJC affairs and key personnel within the organization. Jeff has done an outstanding job as the Secretary General since the Toronto Conference, and he has been a key player in connecting the TJCCNA leaders to the WTCCJC leadership community.

Based on my experience working with Jeff I know that he is a bold, visionary leader who has the best interest of TJCCNA at heart; he is not afraid of doing what it takes to protect TJCCNA members' rights. He has been a fantastic and trusted partner for me as the President of TJCCNA.

Outside of the Chamber of Commerce construct, Jeff is also an influential emerging leader in our local community in the Pacific Northwest. We have both been designated as Community Coordinators by the OCAC and Jeff's leadership presence has helped infuse an elevated level of energy for us as young, emerging leaders.

With great pleasure, I strongly nominate Mr. Jeffery Chang as the presidential candidate for the 8th WTCCJC term. Please do not hesitate to contact me for any questions.

Best Regards,

Justin Wei

4th term TJCCS President
